

TRAVEL FORM

Beginning Astronomy Camp

PARENTS: Regardless of how your student will arrive at Astronomy Camp, this form must be received by May 1.

ARRIVAL: The Beginning Camp convenes at 2 pm on Thursday, June 13, at the [Aloft Hotel](#) at 1900 E. Speedway (southeast corner of Speedway and Campbell) near the campus of The University of Arizona in Tucson, Arizona.

Campers arriving by airline or Greyhound bus should arrive in Tucson by 1 pm. They will be met by Astronomy Camp personnel. At Tucson International airport, we will meet Campers at the walkway leading to the baggage claim area - a Camp leader will be holding a sign identifying "Astronomy Camp." With sufficient advanced notice, we can meet "unaccompanied minors" at the airline's arrival gate. After arriving, all Campers will phone home.

DEPARTURE: On the last day (June 13), we will be driving two hours from our remote mountain location to the same Aloft Hotel for our graduation ceremony so students cannot depart on airline flights any earlier than 2:00 pm. After the ceremony, students may go home with their parents/relatives. Astronomy Camp personnel will transport other Campers to the airport or bus terminal and will ensure they have actually departed as planned.

STUDENT'S NAME: _____

Parent/guardian (signature): _____

Please select your student's method of transportation and supply the requested details.

If possible, please include **a copy of the complete itinerary.**
